General terms and conditions of guiding services:

The guide service can be reserved either by phone or by e-mail at least 5 days in advance, without the necessity of a guaranteed electronic signature. After the reservation is done the guide will issue a record of the contract, which will be sent to the client via e-mail. The client will confirm this record with a signature and then send it back to the guide. This last step can be omitted by the client, if he sends an e-mail to the guide, confirming that he received the record and he agrees to all its terms.

The location, time and duration of the tour are determined by the client's request. The hours in which the tour can be arranged are fixed by default. Unless stated otherwise, it is not possible to arrange the tour outside these hours. The client has no right to exceed the time limit of the tour in the event of a late arrival, unless the guide's conditions allow it with an additional cost based on the guide pricelist. Each started hour is then charged as a full hour. The guide service cost does not include entrances to any facilities (museums, galleries, etc.), transportation or meals.

In the event that the client fails to show up to the guided tour or if the tour is cancelled on the day of the tour by the client, the client is obliged to pay a 100% cancellation fee, unless stated otherwise. In the event of a cancellation one day before the tour, the client is obliged to pay a 50% cancellation fee. There is no cancellation fee if the tour is cancelled two or more days before it takes place.
